

Atheism vs. Christianity

Bob Sidowsky & Peter Kupisz

God's Hiddenness

-if God wants us to believe he exists, why doesn't he show himself?

Evil

-a perfectly good God, who is all powerful, wouldn't allow evil to occur

Hell

-how could a good God send people to hell?

Creationism, Evolution and Science

-evolution (and science in general) proves there is no God

Arguments for the Existence of God

-there is zero evidence for the existence of God

Sociocultural Factors

-people believe in a religion because of their family, friends and culture
