Membership Renewal Time!

Dear Member Centre;

Welcome back to another year with ACSI!! I hope that everyone had a wonderful summer with some good rest and relaxation.

Enclosed you will find the membership renewal form. Please fill it out at your earliest convenience. We need to receive it by October 15 to ensure that your centre will be listed in ACSI's international directory and on the website. The fee for membership has stayed the same as last year.

As part of our membership benefits, we provide access to resources, sample policies and resumés. If you need some support in understanding the new criteria and in generating templates for reports, procedures etc., we will do our best to help you. Our meetings for supervisors bring vital updates and educational insights for centres like yours as well as fellowship and prayer support. The dates for these are:

Friday, September 20, 2019

Friday, November 22, 2019

Friday, February 28, 2020

Friday, April 24, 2020 (conference prep)

Saturday, May 2, 2020 (Impact Conference)

I look forward to seeing you at our first meeting on September 20, 2019 at Tyndale University. Remember: ACSI is here to help and serve you in any way we can so stay connected!

In God's Service,

Dr. Stephanie Ling
ACSI Early Education Director, Eastern Canada
