WHAT PART WILL YOU PLAY?

**A
NEW
VISION
for
HAITI'S
FUTURE**

“Who knows but that you have come to the kingdom FOR SUCH A TIME AS THIS and for this very occasion.” *Esther 4:14*

These words have rung down the centuries as God has continued, since the time of Queen Esther, to move through seemingly unlikely candidates – those He has positioned precisely for:

the time, the place, the need,
the opportunity.

SUCH A TIME...

- **is now** - perhaps only for a few brief years.
- **for this place** - **Haiti**, once the jewel of the Caribbean – a wealthy French colony, built upon slavery.
- **for this need** – with emancipation, Haitians turned to the mind- and spirit-shackling religion of voodoo. Its legacy: political corruption, social chaos, grinding poverty, environmental degradation, and pervasive illiteracy and criminality.
- **for this opportunity** - from the only *officially* Voodoo nation in the Western Hemisphere, an invitation to impact an entire generation for Christ.

BY CONTRAST...

- Haiti has the highest per capita missionary population among Western countries.
- Haitian Christian leaders and missions groups have established Christian schools which currently educate over 60% of Haitian school children.
- Most Haitian teachers have less than a grade 10 education (Haitian standards), yet they believe that God has called them at this time, for this generation, to impact their country for Christ and to help reverse Haiti’s spiritual and social decline.
- In the current political climate Christian leaders in Haiti have “understood the times” and believed that “the Spirit of the Lord will lift up a standard” against the forces that have decimated the nation. Their conviction is that Christian education training for teachers, principals, and directors will play a key role in raising the standard and fulfilling the vision.

THE INVITATION HAS COME

“Please... help us train our teachers and directors in Christian education.”
