

Oceanview Christian Academy is a new and actively growing Christian school on Cape Sable Island, Nova Scotia. OCA is looking for a teacher for a grade 3/4 maternity leave of one year (September 2019-June 2020), which would most likely evolve into another position for a qualified candidate in following years as the school grows in grade structure in the near future.

The main qualifications Principal and Board require of a teacher at OCA are:

- Evidence and profession of an active relationship with Jesus and a passion for living the Christian life as outlined in God's Word.
- Having total agreement to OCA's Statement of Faith and being able to sign that this is true for the candidate
- A love for students and the desire to shape them into the people God desires for them to be
- An appetite for ongoing learning and potential professional development in Christian education
- The ability to work well with fellow staff and grow together spiritually, as well as professionally
