# Benefits of Membership 2018-19

**Advancing  
God's  
Kingdom  
Through  
Christian  
Education**

## Benefits in 2018-19...

1. Identification with ACSI. Membership links you with the largest association of Christian schools in the world. ACSI serves schools in Canada and 106 other nations. Our current membership is over 6 million students in more than 23,000 schools.

2. Promotion of Your School Through a link from our ACSI Eastern Canada website to your school's website and a link to your website from the [www.whychristianschools.ca](http://www.whychristianschools.ca) website.

3. International Directory and Website [www.acsi.org](http://www.acsi.org) where member schools are listed annually—valuable tools for increased enrolment. Christian school administrators use them to help families on the move to find Christian schools in their new communities.

4. ACSI Eastern Canada's Website, Facebook and Twitter Page: Go to [www.acsiec.org](http://www.acsiec.org), [www.facebook.com/ACSIEC](http://www.facebook.com/ACSIEC) and [www.twitter.com/ACSIEC](http://www.twitter.com/ACSIEC).

5. Two-Day Teachers' Conventions to strengthen academic and spiritual standards in your school by training staff in a wide variety of important skills and practices. North America's foremost Christian educational leaders give seminars on a huge variety of topics. Secular education seminars cost as much as \$500 per day per teacher. The cost for ACSI member schools is less than 10% of that! Ongoing staff training should be a priority for Christian schools. Thirty-eight thousand teachers will be improving their skills at ACSI Teachers' Conventions this year. Our region's conventions are in Moncton, New Brunswick at Moncton Christian Academy on October 25 and 26, 2018 and in Ontario on November 1 and 2, 2017 at Brampton Christian School.

6. Early Childhood Educators' Conferences for those who teach children from infancy to Grade 3, in Moncton, NB at Moncton Christian Academy on Saturday, October 27, 201 and in Toronto, ON at Tyndale University on April 6, 2019.

7. Conferences for Board Members & Administrators featuring seminars on essential principles and procedures for Christian school leadership, fundraising, student recruitment, government legislation, school law, and a variety of other important topics. As with our teachers' conventions, the cost for member schools is half the non-member rate. Dates for this school year are: Saturday, October 27, 2018 in Moncton, N.B. at Moncton Christian Academy. The Toronto area Board/Administrators' Conference will be Saturday, February 2, 2019, at Peoples Christian Academy in Markham.

8. Free Admittance at Teachers' Conventions and Board/Administrators Conferences for schools:

- Joining ACSI this year for the first time.
- That are located more than 500 km from our Ontario or Maritime convention sites.
- With fewer than 50 students.

9. National Standardized Testing. The Canadian Achievement Test, used extensively by public school boards and private schools across Canada, is available to member schools at 25% off the rate charged to large public boards. Each member school is evaluated in comparison to both national student achievement norms and ACSI member school norms.

10. Tremendous Financial Savings on Video & Film Copyright Licences. Schools showing most commercially produced videos or films legally require a copyright license (even if the film is borrowed from a library or rental location). The minimum license cost for an individual school is

\$1100 per year. For member schools, these licenses are free! This benefit alone can be worth the cost of membership.

11. 10% off Christian Video Copyright License

12. Free In-Service Training. Our staff will provide three hours of board governance training or three hours of teaching with technology training at your school. Contact us for an appointment.

13. Sample School Policy Templates on a wide variety of legal and operational topics, accessible on our website for member schools only.

14. Student Services. Approximately 60 000 students take part in ACSI activities annually across North America. In our area, that includes a variety of sports events, Public Speaking Festival, Drama Festival, Math Olympics, Chess Tournament, Film Festival and World Concerns Day.

15. An Annual \$1000 Scholarship for a member high school graduate toward his or her Christian post-secondary tuition.

16. Optional School Inspection Services in any of the following areas: teacher performance, board and administrator performance, curriculum and academic standards and policies and procedures.

17. The Commendation Certificate for schools that meet our standards spiritually, academically, legally, and operationally. An onsite inspection visit is part of this service.

18. Eastern Canada's Teaching Practitioner Qualification programme for teachers without formal Certification. Teachers must earn 30 Continuing Education Units (CEUs) in order to receive this qualification.
