

FLOURISHING *Together*

Coming alongside Christian schools to
help them *develop, grow, and flourish*

Leading

Leading your Christian school can feel like an overwhelming, intimidating, or even lonely mission.

But it doesn't have to be that way.

With the right kind of support network and consulting partner, your school can take the next step forward—and flourish!

That's where the Association of Christian Schools International comes in.

Members of ACSI Eastern Canada (ACSIEC) are part of an association that seeks to raise the sights of Christian schools in order to educate, equip, and empower students with excellence, while dynamically asserting a vibrant and life-giving Christian worldview.

But it's much more than a global network. Members have access to **valuable resources** and a **deep network** of skilled professionals to help them **grow their schools** and **build a flourishing culture** their students experience every day.

And that leaves your school feeling supported, equipped, and renewed!

Who is ACSIEC?

Founded in 1978, the Association of Christian Schools International maintains a **global membership** of more than **3,500 schools served by 21 offices** in Asia, Africa, Europe, Latin America, and North America, including two here in Canada.

Your school is under the umbrella of the eastern Canadian chapter of ASCI, with members based in Ontario, Quebec, and the Atlantic provinces. In 2025, we had members with approximately **7,000 students** attending their schools. These institutions are in both urban and rural areas, and included JK-Grade 12, Early Learning Centres, and colleges.

As the Executive Director of ACSIEC, it's a privilege to come alongside Christian schools like yours after serving for many years in a variety of ministries. I enjoy sharing my experience in training and professional development with school leaders. And I'm committed to being a resource and an encouragement to you.

ACSIEC's staff is remote and based in Ontario, but we're happy to serve you wherever you are. We offer training and development remotely or in-person, and host conferences across the regions. Please reach out to myself or our office if you have questions or you'd like to talk more about how membership can help your school flourish!

What

Membership offers—at an affordable price, all year long...

Coaching & Mentoring

Your school leaders, including your board, have expert support and coaching available to them as they strive to create an enriching and growing school environment. From leadership to strategic planning to spiritual discipling, and more, ACSIEC can help you grow.

Training & Development

ACSIEC has created a series of workshops called “Growing Forward” to help the key players on your team develop in their roles so the school will flourish. Also available from ACSI: a tool called the Flourishing School Culture Instrument.

Professional Consulting

Whether it's HR, policy development, fundraising, marketing, or bookkeeping, ACSIEC can put you in touch with the right experts. They'll equip and educate you in their area of expertise so you feel more confident and capable.

Network Facilitation

Spending time with peers from other schools and other parts of the world enriches your experience as educators and leaders. That's why ACSIEC connects members with others looking for support and encouragement by hosting conferences, colleague cohorts, and other networking events.

Advocacy

ACSIEC is committed to being part of efforts at all levels of government to influence Christian education policies and protocols. Key Christian and independent partnerships will aid in advocacy to ensure the Christian school platform is vibrant.

TRAINING & DEVELOPMENT EVENTS

Members can attend activities to help them learn, connect, and grow.

Colleague Cohorts	In-person luncheons for networking and encouragement
Institutes	A series of online leadership sessions
Teacher Huddles	Online sessions for designated groups
Fall Conferences	In-person events for training, encouragement, & networking
ELC Conference	Online conference with an ELC focus
Student Events	Sports tournaments, and leadership retreats

Growing FORWARD Workshops

This new series of workshops will be available to help you and your teams unlock their true potential: the school's board, teachers, parents, student leaders, community, and supporting churches. The workshops explore and reflect on a model that encompasses eight key concepts essential for personal and spiritual growth.
