Events & Attendees

Our Fall conferences bring together Christian educators who are part of the Association of Christian Schools International – Eastern Canada (ACSIEC). This encompasses the provinces of Ontario, New Brunswick, Nova Scotia, Prince Edward Island, and Newfoundland. We currently have a membership of over 50 Christian schools, including universities and colleges.

Each year, we organize workshops, professional development events, conventions, and conferences for teachers, administrators, board members, and students. Our Fall conferences typically draw 200–250 participants to each, including administrators and teachers, with our new specialized tracks expecting 50–100 participants each.

Schools, ministries, and churches also join our fundraising and marketing mini-conferences. These events allow organizations like yours to promote their services and products through an Exhibitor Hall and workshops.

Your Opportunity

You can sponsor our 2025 Fall conferences for Christian schools in Moncton on October 23-24 and Markham on November 6-7. They promise to be exciting and enriching experiences, with various events and activities designed to inspire and equip Christian educators. You can also attend one or both of the conferences.

Pre-conference Workshop Space

Two special tracks are held the day before the conference and provide attendees with in-depth training and expertise on key topics, including marketing and fundraising. We offer two pre-conference tracks, one for leaders and administrators in development raising and marketing. The second one is designed for teachers looking at best practices, personal development, and student discipleship.

As a sponsor, you'll have opportunities to not only have a booth, sponsor a product for participants' swag bags, have stage time and media/web/material, and have banner plugs. You can also have workshop and seminar spaces during our pre-conference.

SPONSORSHIP OPPORTUNITIES

We offer a range of sponsorship opportunities to suit your needs and budget. Depending on your level of sponsorship, the opportunities and benefits include:
