SESSION INFORMATION

For this year's conference, we will be utilizing the **Zoom Breakout Room**. This means only [ONE Zoom link](#) for the entire day!

HOW BREAKOUT ROOMS WORK

- Each time slot has 4 sessions happening at the same time in separate Breakout Rooms
- Session titles and room names will be shared during the introduction and posted in the chat
- At the start of each session, click 'Breakout Rooms' to choose the session you'd like to attend
- You can only be in ONE session at a time
- When the session ends, you'll automatically return to the main Zoom room. You'll then choose again for the next time slot.
- Joined late? Click 'Breakout Rooms' to choose your session, or 'Ask for Help' if you have any trouble joining a breakout room, and a host will assist you.
